

**CENTRAL INTELLIGENCE AGENCY**  
WASHINGTON, D.C. 20505

24 February 1975

Lieutenant General Brent Scowcroft, USAF  
Deputy Assistant to the President for  
National Security Affairs  
The White House  
Washington, D.C. 20500

Dear Brent:

I have prepared the attached scenarios as a basis for a meeting prior to my scheduled sessions with Senator Church and Congressman Nedzi. The points covered include security, degrees of access, and procedural understandings.

In addition, discussions with both Chairmen should urge jurisdictional sharing by the Select Committees wherever possible so as to avoid undue overlap and expenditure of time. Also, I urge the President and other policy users of intelligence to emphasize to both Chairmen the importance of keeping the Intelligence Community focused on its business. Hopefully, emphasis can be placed on the preparation of laws, rules, or guidelines to the Community for the future rather than digging into past missteps.

Sincerely,

  
W. E. Colby  
Director
